### Age Division Chart

A player's age on December 31, of the previous calendar year determines the age classification in which the player is eligible to participate.

This chart shows a player's year of birth and the proper division in which she should play in a particular year from 2013 to 2020.

A player may play UP a division if she is within a year of being eligible, e.g., a 10U player born in 2003 may play 12U in 2014. A player may not play down a division, e.g., a 10U player cannot play 8U.
